Riders who have qualified for a 250SX license through the AMA Road to Supercross have two competition seasons to apply for their licenses before they will have to requalify. For example, a rider who qualified for a 250SX license during the 2023 AMA Road to Supercross season may apply in 2024 or 2025. To apply for a 250SX license, after acquiring the necessary number of points, go to the "Online Registration" tab at amasupercross.com.

AMA-licensed riders who have not competed in AMA-sanctioned events for a period of three years may lose their prior classification.

Applicants renewing a license that expired more than 3 years ago must meet present requirements for a Supercross license. This requirement may be waived under special circumstances through an appeal made to the AMA.

For more information, see "Supercross License Regulations" in the 2023 Monster Energy AMA Supercross Championship rulebook or by contacting AMA Supercross Coordinator Connie Fleming at cfleming@ama-cycle.org or (614) 856-1910 ext. 1258.
